... follow a proven path to
spiritual growth

And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers. Then fear came upon every soul, and many wonders and signs were done through the apostles. Now all who believed were together, and had all things in common, and sold their possessions and goods, and divided them among all, as anyone had need. So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. And the Lord added to the church daily those who were being saved. (Acts 2:42-47)

And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching. (Heb 10:24-25)

What is a Cell Group?

A Cell group is a small gathering of people who get together to connect with God and develop meaningful relationships. A trained individual or couple will guide each meeting which will last approximately ninety minutes. There will be refreshments and fellowship.

Why are they important?

Our objective at River of Life Church is life transformation. We believe this happens best in authentic community. Believers will be equipped to minister to friends and family, and reach out to those who do not know Christ. Let us get connected and grow in grace together.

What will we study?

The groups will study either the message from the previous Sunday, or the weekly Pastoral Perspective. The key emphasis will be on how to apply biblical truth to your daily life.
